## Patyayini Dasha Prediction

Varhphal Years: 17 (2022-2023) Varhphal Date: 18:10:2022, 10:21Hrs

### Mars Dasha

18:10:2022-22:10:2022

In your Varsha-phala chart of this year, Mars is not in exaltation or in own-sign or in debilitation. And, it is neither combust nor eclipsed. On the whole these constitute a rather neutral combination. Mars Dasha will thus be ordinary only, and without any significant event/ happening. However, you may face some problems at your workplace; alternately, you may get into dispute with your brother or cousin or neighbor in connection with property-matters - for which you may feel irritated.

### Sun Dasha

23:10:2022-25:10:2022

In your Varsha-phala chart of this year, the Sun is in debilitation or is blemished owing to closeness of Rahu (or Ketu). This is not a favorable combination. Sun Dasha may not be a good period for you. You should therefore remain careful and cautious in all your affairs in general, and should take proper care of your health. Undertaking any auspicious and important work or proceeding for a long journey during this period may not be fruitful. The situation at your workplace might become a bit problematic, and you may at times get into disputes with some of your colleagues or superiors.

### Moon Dasha

26:10:2022-29:12:2022

In your Varsha-phala chart of this year, the Moon is in exaltation or in own-sign, and it is not eclipsed. You will be fortunate in many respects during Moon Dasha. Your earnings and acquisitions will increase, and your domestic life will be peaceful and happy. You may spend a good sum for procuring jewelry or a buying piece of property. You may have some journeys to short-distance places for visiting relatives and friends; you may also have enjoyable picnics and excursions.

### Jupiter Dasha

30:12:2022-10:01:2023

In your Varsha-phala chart of this year, Jupiter is in exaltation or in own-sign, and it is not blemished for being combust or eclipsed. You will be fortunate in many respects during Jupiter Dasha. You will receive favors and benefits from your superiors and authorities. You will develop friendship with persons of rank, and your enemies will be fully subdued. Your earnings and acquisitions will increase, and your domestic life will be peaceful and happy; you will have satisfaction in everything. Your interest in religion and study of sacred classics will also increase. You will meet with pious people and listen to religious discourses. If you are in business, then you will have an advantageous, smooth-running, and gainful period.

### Mercury Dasha

11:01:2023-08:05:2023

In your Varsha-phala chart of this year, Mercury is in exaltation or in own-sign, and it is not blemished for being combust or eclipsed. You will be fortunate in many respects during Mercury Dasha. Your earnings and acquisitions will increase, and your domestic life will be peaceful and happy. If you are engaged in academic or intellectual pursuits, then you will have excellent progress. Your knowledge of science subjects and interest in studying sacred classics both will increase. You will meet with learned people and get into lively discussions with them. Your relatives will be favorably disposed to you, and remain prepared to offer any help or assistance that you may require. If you are in business, then the period will be very advantageous for you.

### **Saturn Dasha**

**09:05:2023-16:08:2023**

In your Varsha-phala chart of this year, Saturn is in exaltation or in own-sign, and it is not blemished for being combust or eclipsed. You will be quite fortunate in certain respects during Saturn Dasha. You will receive favors and benefits from new acquaintances and foreign sources. You might be acquainted with some people of vicious type - for which reason, your enemies will become fully subdued. Your earnings will be increased and status enhanced. You will develop a sense of satisfaction; but you should watch the means you employ. Also, you should remain careful and cautious - as you may run the risk of facing a minor accidental mishap, and/ or suffer from windy complaints.

### **Ascendant Dasha**

**17:08:2023-01:10:2023**

In your Varsha-phala chart of this year, the Ascendant-lord is not in exaltation or in own-sign or in debilitation; but, it is not retrograde or combust or eclipsed. On the whole, these constitute a rather neutral combination. The Lagna Dasha (period of the Ascendant) will thus be ordinary only, and without any significant event/ happening. However, the situation at your workplace might worsen to some extent; although ordinary people will treat you with due respect, your superiors/ authorities may try to over-shadow you, and let someone else steal the credit rightfully due to you; alternately, you might be unjustly blamed for a little or no fault of your own.

### **Venus Dasha**

**02:10:2023-17:10:2023**

In your Varsha-phala chart of this year, Venus is in debilitation or is blemished for being combust or eclipsed. This is not a favorable combination. Venus Dasha may not be a good period for you. You should therefore remain careful and cautious, and take more care of your health. The deteriorating state of health of some of your family members - particularly your spouse - may cause you some concern; or you may find fulfilling commitments becoming tough owing to blockage of funds. Undertaking any important work or proceeding for a long journey during this period may not bear much of fruit.
