### Transit

## Transits of Planets in the Zodiac

The Sun in transit is crossing over the 5th from your Moon-sign. This is the most adverse transit of Sun, and you should remain very careful and cautious. The developments at your workplace can be very disturbing, and it can cause mental agitation. If other planets in transit are also not in favour, then you may suffer from ill-health and face embarrassing situations for not being able to fulfill your commitments. This transit is not favourable for your children, one of whose health-condition might cause you some concern.

The Sun transits this sign during the month of Bhadra, (from about 16-17 August to 16-17 September).

The Moon in transit is crossing over the 3rd from your Moon-sign. This transit is highly favourable and you will have an enjoyable period for a couple of days. You will enjoy the company of relatives and friends, particularly of people who are married. You may undertake a journey to a short-distance place for pleasure and all your efforts will be fruitful. The dealings at your workplace will be smooth, and your home-life will be very joyful and happy.

Mars in transit is crossing over the 6th from your Moon-sign. This is a highly favourable transit and you will be fortunate in many respects. In competition or competitive examination, contest, dispute or quarrel -- whatever it is -- you are sure to become the victor. Your enemies will be vanquished and you will feel relaxed by having termination of strife. You will remain in good health, be successful in all your efforts, and will have gains from more than one sources.

Mercury in transit is crossing over the 5th from your Moon-sign. This is not a favourable transit and you should curb over-optimism. Speculations and money-lending should be avoided altogether -- unless loss is desired. Your children may become a source of worries to you and for the behaviour of your spouse, you may feel very unhappy. You may feel somewhat disturbed, for which you may not be able to fully enjoy the entertaining game- or film- shows you might go for watching.

Jupiter in transit is crossing over your Moon-sign. This transit is not favourable, and it can induce a sense of gross dissatisfaction in your mind; you may be quite unhappy with some people in your surroundings, and finding that there is no use in trying to adjust with them, you may decide to opt for a change and seek your lot afresh in a completely changed environment. You should, however, refrain from taking quick decisions and arrive at hasty conclusions -- since you are likely to make mistakes. Your expenditures may unusually increase.

Venus in transit is crossing over the 4th from your Moon-sign. This transit is very favourable and you will be lucky in many respects. You will have good gains from more than one source, and your domestic life will be blissful and happy. You may have an auspicious celebration or a get-together in

your family, and your house would reverberate with joyous and resounding laughter. You will have tenacity of mind, good memory, pleasing thoughts, profound intellect and keen judgment.

Saturn in transit is crossing over the 11th from your Moon-sign. This is a highly favourable transit, and you will be fortunate in many respects. Your friends' circle will be widened and your popularity will be considerably increased. Your earnings will be swelling by leaps and bounds, as you will have gains from more than one sources. Your wealth accumulation and costly possessions will also increase. You will feel very happy and glad, and enjoy your life with utmost satisfaction. If other planets are also in favourable transit, then you be a recipient of public honour.

Rahu in transit is crossing over your Moon-sign. This is not a favourable transit and you are likely to suffer from some disease, which may become aggravated intermittently. Your environments might become inharmonious owing to sudden change of circumstances. The developments at your workplace may become quite discouraging, and the deteriorating health-condition of your spouse may cause you some serious concern. You may become pretty confused or even upset. If some other planets are also in unfavourable transit, then you may not get back any money you have lent to others and/ or may not be able to repay the sum you may have borrowed back to others.

Ketu in transit is crossing over the 7th from your Moon-sign. This is not a favourable transit, and you should remain very careful and cautious. You should remain on the alert -- particularly in respect of new acquaintances, and more so if such a person belongs to the opposite gender; any apparently bright scheme or plan forwarded by such a person may have the veritable potential of leading you to the brink of a sink-hole. The health-condition of your spouse may cause you some serious concern -- this will be more so if a solar eclipse happens to fall in this place, and the eclipse occurring during daytime is visible from your place of birth.
